

INTERNATIONAL FINANCIAL SUPPORT PROGRAM

International Financial Support Program (IFSP) is designed to provide funding for projects and scientific research on the field of addiction prevention. Turkish Green Crescent aims to strengthen the cooperation on the preventative works globally, through data collection, research and project development.

Turkish Green Crescent announces grant funding opportunities through International Financial Support Program during the year. Association uses peer reviewers who are subject matter experts to evaluate discretionary grant applications. Approximately 10.000 US Dollar is provided to County Green Crescents. Please contact the Foreign Relations Office at Green Crescent for further information on grants.
